

# Sails

Pat Barrett

Falling is easy, but staying in love is hard  
Hard to be honest and keep our heart open  
To be who we truly are  
Without the excuses, without the façade  
There's no pretending  
Here in Your love

Oh, Lord set me... free  
Oh, Lord set me... free

I'm finally seeing You were here all along  
Your love wasn't absent, no  
It doesn't come or go  
The image I've had is starting to fail  
You're patient with me  
You're lifting the veil

Oh, Lord set me... free  
Oh, Lord set me... free  
Oh, Lord set me... free (set me free)  
Oh, Lord set me... free (set me free)

I let out the sails of my heart  
Here I am, here You are  
I let out the sails of my heart  
Here I am, here You are  
I let out the sails of my heart  
Here I am, here You are  
I let out the sails of my heart  
Here I am, here You are  
I let out the sails of my heart  
Here I am, here You are  
I let out the sails of my heart  
Here I am, oh, here You are  
I let out the sails of my heart  
Here I am, here You are  
I let out the sails of my heart  
Here I am, here You are
