My God, You're fighting for me
Yahweh, You go before me
For my good and for Your glory
Right now, You're fighting for me

You're good, You've always been good
You'll always be good to me
You're good, You've always been good
You'll always be good to me
I have a million stories, this is my testimony
You're good, You've always been good
You'll always be good, always be good to me

The Lion of Judah's roaring
You send the darkness running
Oh, You're with me, so I fear nothing
The Lion of Judah's roaring, yeah

You're good, You've always been good
You'll always be good to me
You're good, You've always been good
You'll always be good to me
I have a million stories, this is my testimony
You're good, You've always been good
You'll always be good, always be good to me

Even though I walk through the valley of the shadow of death
I've got nothing to fear, 'cause You're with me
Nothing to fear, 'cause You're with me
Even in the midst of the battle, I'm lifting my hands
I've got nothing to fear, 'cause You're for me
Nothing to fear, 'cause You're for me

And even though I walk through the valley of the shadow of death
I've got nothing to fear, 'cause You're with me
Nothing to fear, 'cause You're with me, yeah
Even in the midst of the battle, I'm lifting my hands
I've got nothing to fear, 'cause You're for me
Nothing to fear, 'cause You're for me

I've got nothing to fear, 'cause You're for me
Nothing to fear, 'cause You're for me, sing!

Say it!

You're good, You've always been good
You'll always be good to me
You're good, You've always been good
You'll always be good to me
I have a million stories, this is my testimony
You're good, You've always been good
You'll always be good, always be good to me

Yes, You will
Oh, You've always been good to me
Every day of my life
I have a million stories, this is my testimony

You're good, You've always been good
You'll always be good, always be good to me
