

# Strike Your Harp

Pat Barrett

Oh, strike your harp  
Let the music rise  
Let down your hair  
Dance with all your might

A rush of love  
Here's to the morning

Oh, sing your heart  
Children, harmonize  
Oh, and wave your flag  
Let the colors fly

For those asleep  
Just chasing dreams  
A crash of light  
Here's to the morning, yeah

You and I  
Paradise  
Sweet dreams, my dear  
Here's to the morning
