

# I'm Gonna Follow You

Pat Benatar

I'm gonna follow you, 'til I wear you down  
I'm gonna follow you, 'cause this here's my town  
You don't know these streets the way that I do (I do, I do)  
You can't turn it on and off the way that I do (I do, I do)  
Ooo, ooo...

I'm gonna follow you, 'til I know your timing  
You'll turn some corner soon, and find you can't get by me  
You don't know these streets the way that I do (I do, I do)  
You can't turn it on and off the way that I do (I do, I do)

You see yourself as some kind of lily of the valley  
You come around here in your ballet slippers padding on my alle  
y  
And you know that you can't dance  
'Cause you know you never had the chance  
I'm gonna dance for you!

Ooo, ooo...

I'm gonna follow you, 'til I wear you down  
I'm gonna follow you, 'cause this here's my town  
You don't know these streets the way that I do (I do, I do)
