

## In These Times

Pat Benatar

What's the use in staying  
When everything's a lie  
I hear what you're saying  
And it makes me want to cry

You know the truth is so overrated  
That should come as no surprise  
It's all so complicated  
Especially in these times

Don't it make you crazy  
Don't it make you ask yourself why  
Nobody's got an answer  
Especially in these times

Life is like a puzzle  
Best to chose the edges first  
And work back to the middle  
To the places where it hurts

Lately I've been thinkin'  
Maybe there's a chance for us  
If we take it slow now  
And don't expect too much

Don't it make you wonder  
Don't it make you ask yourself why  
Nobody's got an answer  
Especially in these times  
And don't it make you crazy  
Don't it make you ask yourself why  
Nobody's got an answer  
Especially in these times

Ooh, ooh  
(what's the use in stayin', when everything's a lie  
And there's nothing sacred, especially in these times)

Hey don't it make you crazy  
Don't it make you ask yourself why  
Nobody's got an answer  
Especially in these times  
And don't it make you wonder  
Don't it make you ask yourself why  
Nobody's got an answer  
Especially in these times  
In these times
