

Looking for a Stranger

Pat Benatar

I had it with the same old routine
I had it with the same old faces, places
Every night, in my life
I started feeling washed up, washed out
Hung up, wrung out, left to dry out
Every night
But I know
Yeah, I know you're out there, somewhere
Oh, I, I can almost hear you callin'
I'm looking for a stranger in the night
I need a little danger in my life, tonight

I'm tired of the same old
"Hello baby, how ya doin'? Come here often?"
Where have you been all my life?"
Every night

But I know
That someday, somewhere
I'll turn around and you'll be there
Ooh...In my life
Every night

But I know
Yeah, I know you're out there, somewhere
Oh, I, I can almost hear you callin'
I'm looking for a stranger in the night
I need a little danger in my life, tonight

I'm looking for a stranger in the night
I need a little danger in my life, tonight
