Blue Moon You saw me standing alone Without a dream in my heart Without a love of my own Blue Moon You knew just what I was there for You heard me saying a prayer for Someone I really could care for And then there suddenly appeared before me The only one my arms will ever hold I heard somebody whisper "Please adore me" And when I looked the Moon had turned to gold Blue Moon Now I'm no longer alone Without a dream in my heart Without a love of my own

I heard somebody whisper "Please adore me"
And when I looked the Moon had turned to gold
Blue Moon
Now I'm no longer alone
Without a dream in my heart
Without a love of my own
