

Somewhere Between Texas and Mexico

Pat Green

You say you love me but you love me not
Something about true love that you must have forgot
To lose a memory I know just where to go
Somewhere between Texas and Mexico
Somewhere between Texas and Mexico

King fish are jumping - the moon is right
Full throttle captain til the we're out of sight
Stars on the ocean will find me I know
Somewhere between Texas and Mexico
Somewhere between Texas and Mexico

South Padre Island to the Brownsville Bay
My heart is healing with each breaking way
But I got some real friends and they're ready to go
Somewhere between Texas and Mexico
Somewhere between Texas and Mexico

King fish are jumping - the moon is right
Full throttle captain til the we're out of sight
Stars on the ocean will find me I know
Somewhere between Texas and Mexico
Somewhere between Texas and Mexico

It's gonna take just a little more time
With a little help from the salt and a limes
Something about the wind and the sea sets a broken heart free o
ut there yeah

King fish are jumping - the moon is right
Full throttle captain til the we're out of sight
Stars on the ocean will find me I know
Somewhere between Texas and Mexico
Somewhere between Texas and Mexico

Somewhere between Texas and Mexico
