

## We'll Get Arrested, Or Shot (The Defeat)

**Pat The Bunny**

We'll dig up concrete to plant vegetables across the street  
Neighbors and tweakers passing by will stop for something to eat

We'll set up milk crates as a free box  
Then we'll get arrested by the cops  
And if we fight back then we'll get beaten  
And arrested on felony charges by the fucking cops

We'll lock down to gates and buses, we'll block off the streets  
Because nothing else has worked to stop those fuckers in BP (Border Patrol)

We'll clog up the system, we'll grind Streamline to a stop  
Then we'll get arrested by the cops  
And if we fight back then we'll get beaten  
And arrested on felony charges by the fucking cops

Seize entire cities, yeah, whole regions of a country  
Abolish all police, religion, private property  
We've done it before; united, we cannot be stopped!  
Then we'll all get lined up and shot by fascists  
Or just Communists and liberals  
Who've been waiting all along to become the fascist cops
