

Dedication

Pat Travers

This one is dedicated to the people who
Helped me make a stand, helped me make it through
And everybody's got at least one
Friend to lend a hand, and baby if you can't see that
Well you just don't understand, you just don't understand
So forget all the suspicion
The foolish, selfish pride
You got to reach down deeper for good
You give so much a try
And you know that is a good habit
And once you really try, and you stand up to the top
Both hands by your side...loneliness is gone, yeh, yeh

Try to be, one of those people, who can understand
When life is never been easy
I try to take people by the hand
You know that I've never been religious
But it seems so bit of me
If we could do just a little more, means so much to me
