

Fall to Pieces

Pat Travers

Had me a tasty lookin woman..
she was a lady of some means...
well I'm talking,tall and dark,and slender..
the kind you see on movie screens....

well I dont exactly live in squalor,
but I ain't living like a king....
she said I'm not supposed to call her.....
till I can make a better scene...

MY LIFE FALL TO PIECES".....since you went away,
MY LIFE FALL TO PIECES"..
I can't get that lady to stay.....

MY LIFE FALL TO PIECES".. since you went away,
MY LIFE FALL TO PIECES".. i cant get that lady to stay..

Well I'd really like to try and please her...
but I just can't quit my werewolf ways..

it dont mean that I ain't really trying.....
can't find a job that really pays.....

MY LIFE FALL TO PIECES".. since you went away,
MY LIFE FALL TO PIECES".. I cant get that lady to stay..

MY LIFE FALL TO PIECES".. since you went away,
MY LIFE FALL TO PIECES".. I cant get that lady to stay..
