

Time Out

Pat Travers

I'm threw with feeling angry...
I don't like to be that way...
I'm sure you'd like to hang me..
the only way that you could make me stay.....
ooh a Time Out..oh I need to get away..
I can't stand another day...
oh I need to call a Time Out

Your moods just drive me crazy, I never sure who I'll
be talkin to, and your memory get's real hazy..
when I try to work things out with you...

oh a Time Out..oh I need to get away..
I cant stand another day..
oh I need to call a Time Out....

true love to you has meant disaster,I do this in some
wary way, I wish I had known this last year, before
desire gone astray...
a Time Out, I need to get away,
i can't stand another day, oh I need to call a Time Out
I cant stand another day, oh I gotta get away...

Yeah I'm gonna call a Time Out.....
