

## Kiss It Better

Pati Yang

If you think, it's that easy, we just need  
self control, it's the heat, I can't reason with myself. Anymor  
e.

Give and take for fun, sweat when you run out of breath,  
take it in, take it slow, burn till you're raw, this could hurt

I feel like you're giving me something intoxicating  
it kills all the pain dear, suddenly all that I wanted  
looks so unimportant. I don't need anything

You kiss it Better... Take a look. Think it over. Know just wha  
t

You may loose. I can't wait any longer. On my own, It's no good

You give and take for fun. Sweat when you run out of brath  
Take it in, take it slow. Burn till you're raw. This could hurt  
Feels like I am giving you something intoxicating. It kills all  
the pain dear,  
suddenly all that I wanted looks so unimportant  
You don't need anything. i am setting myslef on fire  
Before your eyes I burn while I am crying. How can I make you f  
orget her  
I am not made of stone so treat me with care

You kiss it Better...

take me to the floow less is more, don't just stand and watch,  
take control  
watch me lick my lips lick my wounds,  
put the music on trat my bruise
