

Pretty Fin

Pati Yang

Come here and sit down on my arm, butterfly
Show me your wings I'll show you how to get high
I know it's late
And you want to leave
But if you decide to stay
You'll make my day
Let's have a party on the bridge
My advice:
Before you jump
Tighten your lips
Close your eyes
The water is cold
And we are alone
But after little while
Feels just like home

I guess I'll see you on the other side
I will be waiting till you come and dance
I'll let the river know you're moving in
I'll let you tango with my pretty fin

See how you fight
Want me to get you
Seduce, stretch twist
And hypnotize
I know it's late
And you want to leave
But if you decide to stay
You'll make my day
And then you take me
And I am not opposed
I guess I want to be taken
Underneath the surface
In your hands my temples crush
And then boil

I need to breathe

I need to breathe like a mermaid

I guess I'll see you on the other side
I will be waiting till you come and dance
I'll let the river know you're moving in
I'll let you tango with my pretty fin
