Mi tell the girls welcome
Mi got the girls link with no cellcom
Keep it private please don't tell none
The way you grind it pon me girl well done
I like that

What them a want we a go give them
Give it to them fast and slow
What them a want we a go give them
Give it to them fast and slow

Bring that your body make I enjoy you tonight
Things I go do girl I swear you go like
Mi just wan make your body girl feel alright
High like a kite, get ready fi mi strike

Special dedication to the girls inna the rave
This is fi the man them weh strong and brave
Yow a we every girl them crave
The frequency turn up it's a mad wave

This is my I don't give a fuck mood
Every girl a whine them a whine so good
Breakfast in bed cuh you are the right food
From your smile I know that I am better than your dude

Burn the fire yes I would

Take it higher yes we should
My heart desire yes you could
Clean attire don't be rude
Hope say you know say body no be firewood
And I don't wanna be misunderstood
