Patoranking

There is something so special  
About the way you smile I like it  
There is something so special  
About the way you look I like it  
There is something so special  
About the way you talk I like it  
There is something so special  
The way you bump and grind to my music

Baby this your body is so special (Special)  
Gyal if na play make you stoppable (Stoppable)  
I promise I will never be commercial (Oooh)  
All of my money you go chop

And she ask me say

Are you ever gonna stop loving me? (No, No)  
Are you ever gonna stop loving me? (No, No)  
Are you ever gonna stop loving me? (No, No)  
Are you ever gonna stop?

So me tell her say

Nakupenda, nakupenda  
Nakupenda, nakupenda  
Nakupenda, nakupenda  
Nakupenda, nakupenda

Ready to love you, lady ego nishafix  
Nisha acha kujiona hero kwa hizi streets  
Nishaanza kuona kuna mahali siwezi reach  
Ka huko na mimi sina peace  
I miss my ride or die for real  
Naona yako glow I'm not to proud to feel  
Not to shy to show yah  
Everyday I fall in love  
Fall in love  
Fall in love  
Fall in love again

And this is more than just a good time  
And you are the moment hatuwezi rewind  
Even though I'm crazy be mine  
I be yours, will be fine

This is more than just a good time  
And you are the moment hatuwezi rewind  
Even though I'm crazy be mine  
I be yours

So me tell her say

Nakupenda, nakupenda  
Nakupenda, nakupenda  
Nakupenda, nakupenda  
Nakupenda, nakupenda

Champagne and two glass lets take a sit  
My love for you baby is so super lit  
Go tell your family I'm ready to meet  
Beautiful love, self put it on repeat  
All I have picture dem day in a me gallery  
Baby take me patient and salary  
Wedding on the 10th of January  
Now our love is permanent not temporary

Then she ask me say

Are you ever gonna stop loving me? (No, No)  
Are you ever gonna stop loving me? (No, No)  
Are you ever gonna stop loving me? (No, No)  
Are you ever gonna stop?

So me tell her say

Nakupenda, nakupenda  
Nakupenda, nakupenda  
Nakupenda, nakupenda  
Nakupenda, nakupenda
