

I'll Be Near

Patrice

This is special don't know why
I send you my Angels to guide you on your way
I send you my Angels to make sure everything's ok
I send you my Angels to shine on your way Whenever you're in da
nger I'll be
Near

Don't know what the future holds
I don't know what to say
Just know that the truth unfolds every second of that day
You have to show some trust
I have to show some faith just fly to give
Don't wanna see you cry
Never wanna see you sad
I let my Angels fly to make sure your not
I hope that this will grow
And this will never top
This is love as rock

I send you my Angels to guide you on your way
I send you my Angels to make sure everything's ok
I send you my Angels to shine on your way Whenever you're in da
nger I'll be
Near

Since you have to go I'm gonna sing this kiss
So when you feel alone you can't just swing to this
Call me on the phone once you reach back home
Just to reconfirm that everything went fine you know
Let's proof to the world
That this thing an work
And that there is such thing as true love between boy and girl
Well this must be more cuz the rest was less
Youre don't my rest-less less less
Cuz you are highly blast

I send you my Angels to guide you on your way
I send you my Angels to make sure everything's ok
I send you my Angels to shine on your way Whenever you're in da
nger I'll be
Near
