

# Love, Selfish Love

Patrick Stump

I hear you've got your troubles, or so I've been told  
Maybe just a couple but I'm not quite sold  
I'm indifferent to the difference between tomorrow and today  
Less an indiscretion than a lesson I've been paid  
And the stages of recovery can signify your age  
Like rings around a stump  
Oh, that's something I know a little bit about, child  
Lately, it's been getting a little bit crazy  
I don't wanna be complaining, complaining, oh

All my friends go to bed  
Dreaming up a reason they should weep, weep  
And all my friends walk to the ends of the earth, for secrets they don't wanna keep

And this is my confession  
Yes, yes  
This is me confessing:  
God bless  
The sad and selfish  
Stay helpless

Cause I've always been stronger than that  
Hold the weight of the world on my back  
It's just love, selfish love  
Love, selfish love

I've got nothing to confess, yes  
I've got nothing to confess, yes  
I've got nothing to confess, yes  
I've got nothing to confess

It's too easy to be scared sometimes  
I'm not gonna lie like I don't understand  
But it's like the whole world is jumping off the bridge  
And you don't want to be the one standing on dry land

All my friends go to the ends of the earth for secrets they don't wanna keep

And this is my confession  
Yes, yes  
This is me confessing:  
God bless  
The sad and selfish  
Stay helpless

'Coz I've always been stronger than that  
Hold the weight of the world on my back  
It's just love, selfish love  
Love, selfish love

I've got nothing to confess, yes  
I've got nothing to confess, yes  
I've got nothing to confess, yes  
I've got nothing to confess

Yes, yes

This is me confessing:

God bless

The sad and selfish

Stay helpless

'Coz I've always been stronger than that

Hold the weight of the world on my back

It's just love, selfish love

Love, selfish love

I've got nothing to confess, yes

I've got nothing to confess, yes

I've got nothing to confess, yes

I've got nothing to confess
