

# Super Hero On The Beat

Patrick Stump

She's looking, looking for hints  
The silly super villains always leave evidence  
Keeping up the tempo, keeping the pace  
She's the one and only Ghost Spider  
Gwen Stacy

She's on the trail, she'll figure it out  
She'll figure it out

She's a superhero on the beat, beat  
Connecting all the dots and following the leaves  
She's got the rhythm, the pulse of the street  
No better detective on the beat, beat, yeah

Put your hands together for the Ghost Spider (Whoa)  
Put your hands together for the Ghost Spider (Whoa)  
For the Ghost spider

She's gliding up in the air  
'Cause silly super villains always leave clues everywhere  
She's the great Spidey sleuth and nothing can stop her  
Zooming through the air in her ghost 'copter

She's on the drums, she's kicking it out  
She's kicking it out

She's a superhero on the beat, beat  
Connecting all the dots and following the leaves  
She's got the rhythm, the pulse of the street  
No better detective on the beat, beat, yeah

Put your hands together for the Ghost Spider (Whoa)  
Put your hands together for the Ghost Spider (Whoa)
