

# Swing And Smash

Patrick Stump

First, you take a hero who's a scientific genius  
With web shooters he invented for his own wrists  
But something's missing  
He needs more muscle  
'Cause even with his spidey-sense he finds himself in trouble

Just a little bit of red and a little bit of blue needs a little bit  
of green too

Spidey can swing, swing, swing to the rescue  
And Hulk can smash, smash, smash his way out of trouble, way out of t  
rouble  
Team up, power doubled, doubled, doubled  
Webs up (webs up!) Hulk out (Hulk out!)  
Webs up, webs up, Hulk out  
So swing (so swing)  
And smash (and smash)  
So swing, swing and smash

So all the superpowers you can list or imagine  
Are stopping baddies with swingin' and smashin'  
The two together can save any neighbourhood  
'Cause they're all do-doing good, good

Just a little bit of red and a little bit of blue needs a little bit  
of green too

Spidey can swing, swing, swing to the rescue  
And Hulk can smash, smash, smash his way out of trouble, way out of t  
rouble  
Team up, power doubled, doubled, doubled  
Webs up (webs up!) Hulk out (Hulk out!)  
Webs up, webs up, Hulk out  
So swing (so swing)  
And smash (and smash)  
Now swing, swing and smash

Webs up (webs up!) Hulk out (Hulk out!)  
Webs up, webs up, Hulk out  
So swing (so swing)  
And smash (and smash)  
Now swing, swing and smash

Swing, swing, swing to the rescue  
And Hulk can smash, smash, smash his way out of trouble, way out of t  
rouble  
Team up, power doubled, doubled, doubled

Spidey can swing, swing, swing to the rescue  
And Hulk can smash, smash, smash his way out of trouble, way out of t  
rouble  
Team up, power doubled, doubled, doubled
