

Fade Into You

Patrick Watson

I wanna hold the hand inside you
I wanna take the breath that's true
I look to you and I see nothing
I look to you and see the truth

You live your life, you go in shadows
You come apart and you go blind
Some kind of night into your darkness
Colors your eye with what's not there

Fade into you
Strange you never knew
Fade into you
I think it's strange you never knew

A stranger's light comes on slowly
A stranger's heart without a home
You put your hands into your head
And then your smile covers your heart

Fade into you
Strange you never knew
Fade into you
Fade into you
