

## Gordon in the Willows

Patrick Watson

It's been a long long time  
It's been a long long time

I find you hiding underneath the willow trees  
The way the wind it even speaks through me  
Your memories are my words

You are the wild inside the wilderness  
You are the quiet in the gentleness  
Your melodies the birds

It's been a long long time  
It's been a long long time  
It's been a long long time

I'm gonna hold on  
I'm gonna hold  
I'm gonna hold on  
I'm gonna hold  
I'm gonna hold on
