

## On Sussex Downs

Patrick Wolf

I could breathe so deep  
The glorious backdrop of my eyes ached  
I smiled until it hurt  
The centre of the field was at peace!

For today I am a wild creature  
And tomorrow I will be lost again

I threw my shoes to the right  
I flung my socks to the left  
My shirt came off  
I fed it to a cow!

I carried on forever  
My feet were idle lovers together
