

Why Did You Have to Be?

Patrizio Buanne

When I held you, it was something
That was nothing much to me
I was in it for the moment
Wanted someone touching me
And I didn't want to fall in love

So why did you have to be
So beautiful, so good to me
When I was only looking for
Someone to hold just for a while?
Why did I have to see your smile?
The one who stayed in all my dreams
When I was needing nothing more
Than someone to kiss, to hold in the night?
Why did you have to be so right?

When you touched me, it was something
Like your touch that I hadn't known
I could feel it in a moment
Like your touch had, baby, touched my soul
And I didn't want to fall in love

(Repeat)

Why did you have to say
The words that took my breath away?
I was doing good
I was doing just fine
Being free

(Repeat)

Oh, baby, oh
So beautiful
