

## Funny Face

Patti Austin

I love your funny face  
Your sunny funny face  
You can't repair it  
So I declare it  
Is quite alright  
If you've got personality  
A thousand laughs I've found  
In having you around  
Though you're no Handsome Harry  
For worlds I'd not replace  
Your sunny funny face

I love your funny face  
Your sunny funny face

Oh...  
A thousand laughs I've found  
In having you around  
Though you're no Handsome Harry  
For worlds I'd not replace  
Your sunny funny face
