

# Oh No, Margarita

Patti Austin

Oh, no, Margarita  
What cha doin', who ya foolin'?  
Tell me, Margarita  
Are ya lovin', or are ya losin'?

Found another man  
Well, anybody can, girl  
But you don't really want to  
Just lookin' at his face  
Can fill that empty space within you  
You know it's true

Oh, no, Margarita  
What cha doin', who ya foolin'?  
Tell me, Margarita  
Are ya lovin', or are ya losin'?

Livin' day to day  
There's got to be a way  
To last until the sun shines  
Telling little lies  
And wearing those disguises  
Hiding what's inside you

If you'd only try to face the music  
You could hear the song of love  
That's in your heart  
(It's in your heart)  
Can't you tell you found someone  
Who loves you?  
It could be forever if you let it start  
(Gotta give your heart)

Oh, no, Margarita  
What cha doin', who ya foolin'?  
Tell me, Margarita  
Are ya lovin', or are ya losin'?  
Oh, no, Margarita  
What cha doin', who ya foolin'?

Oh, no, Margarita

Oh, no, Margarita  
Tell me, Margarita  
What you doin', well...
