

## Get Ready (Lookin' For Loving)

Patti LaBelle

Baby, get ready, hold on, hold on  
My love is steady, hold on, hold on

Darling, you, you mean so much to me  
If you were mine I swear I'd never let you go  
Take my heart and throw away the key  
I'm for you, my love, I want to let you know

You got such good lovin', couldn't place nothing above it  
Like to keep your tender lovin' to myself  
And if you should have another  
Don't let it go no further  
I'm keepin' it to myself

So, baby, get ready, hold on, hold on now  
My lovin' is steady, baby, hold on, hold on

I been told how much you like to play  
Listen here, my dear, to me it's not a game  
Take my heart, you better not give me misery  
I'm for you, my dear, I'd like to let know

You've got such good lovin', couldn't place nothing above it  
Like to keep your tender lovin' to myself  
And if you should have another  
Don't let it go no further  
I'm keepin' it to myself

Baby, get ready, hold on, hold on now  
My lovin's steady, baby, hold on, hold on  
Baby, get ready, hold on, hold on  
I'm gonna love you steady, baby, so hold on, hold on

Get ready  
Steady  
Baby, get ready  
Steady  
I'm lookin' for loving  
So what do you say?  
I'm lookin' for loving  
Come on and try it my way and  
Get ready, baby  
I'm gonna love you so steady, baby  
I'm lookin' for loving  
So what do you say?  
I'm lookin' for loving  
Come on and try it my way and  
Get ready  
I'm gonna love you so steady, baby  
I'm lookin' for loving  
So what do you say?  
I'm looking for loving  
Come on and try it my way and  
Get ready, baby  
I'm gonna love you so steady, so steady, so steady, baby

(Lookin' for some loving, lookin for some loving, loving

Lookin' for some loving, lookin for some loving, loving)

Come get your love, come get your loving  
Come get your love, come get it right now  
Come get your loving, come get it right now  
Come on and get it right now, baby  
Please get ready for my love...
