

If Everyday Could Be Like Christmas

Patti LaBelle

If everyday could be like Christmas
Three hundred and sixty-five days of the year
If everyday could be like Christmas
We never ever have anything to fear

If everyday could be like Christmas
There'll be a good feeling all over the land
All over the land

And man would behave himself, help somebody else
To survive like the Master commanded us to do
Love your neighbor even as I have loved you
And I'll prepare a place for you high up in the starry blue

If everyday could be like Christmas
There wouldn't be anymore wars to fight
And everything would be so peaceful
The world would be singing, 'Oh, Holy Night'

If everyday could be like Christmas
What a feeling all over the land
All over the land

We could shake, shake our neighbors hand, help him on to stand
That the spirit of Christmas could be here to stay
All we need to get the whole job done
Is treat each and everyone like we do on Christmas day

If everyday could be like Christmas
Three hundred and sixty-five days of the year
If everyday could be like Christmas
We never ever have anything to fear

If everyday could be like Christmas
There'll be a good feeling all over the land
If everyday could be like Christmas
All over, all over
All over the land

Love your neighbor even as I have loved you
And I'll prepare a place for you high up in the starry blue

If everyday could be like Christmas
There wouldn't be anymore wars to fight
And everything would be so peaceful
The world would be singing, 'Oh, Holy Night'

If everyday could be Christmas
What a feeling all over the land
Help your sister, help your brother
Not just other day

Why don't you, why don't you
Try to try and never
All over, all over

Try, try it

If everyday, if everyday could be like Christmas
All over, all over, all over, oh

If everyday could be like Christmas
The world would be so nice
If everyday could be like Christmas
All over, all over, all over, all over
If everyday could be like Christmas
