

# Let Me Be Your Lady

Patti LaBelle

There was a time  
I said "I didn't need love in my life"  
I'll be alright  
I always had excuses to disguise

How I felt inside  
So much loneliness is hard to hide  
So I'll testify  
I know in your arms true love I can find

I don't want to bore you, baby  
Don't wanna waste your time  
I just want to be your lady  
I'll keep you satisfied

It's hard to find  
But your love's given me a peace of mind  
So I fantasize  
I think of loving you everyday and night

'Cause you take control  
And relax me 'cause you know where to go  
You're so wonderful  
Wanna tell the world  
I want them to know  
Just how good it feels

I don't want bore you, baby  
Don't wanna waste your time  
I just want to be your lady  
I'll keep you satisfied

Oh I, oh I  
Oh I  
Oh I don't want to bore you, baby  
Oh I  
Oh I said  
Let me the lady  
Let me the lady for you

I don't want to bore you, baby  
Don't wanna waste your time  
I just want to be your lady  
I'll keep you satisfied

I don't want to bore you, baby  
Don't wanna waste your time  
I just want to be your lady  
I'll keep you satisfied

Baby love me  
Baby love me  
Like I love you  
Baby love me  
Baby love me  
Like I love you

I don't want to bore you, baby  
Don't wanna waste your time  
I just want to
