

# Love Bankrupt

Patti LaBelle

You changed...

You changed...on me

When love was new  
It was all me and you  
Rejoice for glory  
A true-life love story

You changed on me  
With a love loan no interest come free

I got to go downtown and file  
Love bankrupt  
Love account is overdrawn  
File love bankrupt  
Playin' the game a little too long  
File love bankrupt on love

You changed on me  
Yes, you did  
You changed on me

I can't go on, no  
Paying on a house that's not a home  
Love debts are strong  
Pain in my heart deep down in my little bones

You changed on me  
With a love loan no interest come free

I've got to go downtown and file  
Love bankrupt, whoo  
Love account is overdrawn  
File love bankrupt  
Playin' the game a little too long  
I'm gonna file love bankrupt on love

You changed on me  
Yes, you did (Lordy, lordy, lordy)  
You changed on me

Oh, why'd you change

I'm gonna go downtown and file  
Love bankrupt  
Love is over, Love is overdrawn  
File love bankrupt  
I've been playing just a little too long  
I'm gonna file love bankrupt  
File love bankrupt on love

You changed on me  
Why'd you go and do that  
You changed on me  
You changed on me  
You changed, you changed  
Why'd you wanna change on me, baby

Why'd you wanna change, baby
