

Love, Need And Want You

Patti LaBelle

I love you
I love you honey I
Love you I do
More than you ever know
It's for sure you can always count on my love for ever more
I
Need you
I need you baby I
Need you right now
Say can you understand your my man
And my one desire is keeping you satisfied

Baby when we
When we're together say
I'm alright and your alright it's like paradise
I just want you to know how I feel
How I feel

Oh I want you
I want you sugar I
Want you so bad
I got a burning desire my soul's on fire
Can't you see you are my everything

Baby when we
When we're together say
I'm alright and your alright it's like paradise
I just want you to know how I feel
How I feel

Oh I love you
I love you honey I
Love you I do
More than you ever know
It's for sure
You can always count on my love for ever more

I love and need and want you baby
I love and need and want you baby
I love and need and want you baby
Love and need and want you baby
I love and need and want you baby
Love and need and want you baby

You can count on me for ever more
I love
And I need
And I want
You
I got this burning desire
My soul's on fire
You can't count on me for ever more
I love
Baby I need
Baby I want
Your love
Oh I Love you

I need you
You can always count on my love for ever more
