Love, Need And Want You

Patti LaBelle

I love you I love you honey I Love you I do More than you ever know It's for sure you can always count on my love for ever more Т Need you I need you baby I Need you right now Say can you understand your my man And my one desire is keeping you satisfied Baby when we When we're together say I'm alright and your alright it's like paradise I just want you to know how I feel How I feel Oh I want you I want you sugar I Want you so bad I got a burning desire my soul's on fire Can't you see you are my everything Baby when we When we're together say I'm alright and your alright it's like paradise I just want you to know how I feel How I feel Oh I love you I love you honey I Love you I do More than you ever know It's for sure You can always count on my love for ever more I love and need and want you baby I love and need and want you baby I love and need and want you baby Love and need and want you baby I love and need and want you baby Love and need and want you baby You can count on me for ever more I love And I need And I want You I got this burning desire My soul's on fire You can't count on me for ever more I love Baby I need Baby I want Your love Oh I Love you

I need you You can always count on my love for ever more
