

# Twisted

Patti LaBelle

Tw-Twi-Twi-Twi-Twi-Twi-Twisted!  
Out of control  
You're driving me to extremes  
My body and soul  
Are coming apart at the seams  
So many tangled emotions (So many)  
When you wrap your arms around me

Oh, I get twisted  
You know how to turn me inside out  
Yeah, I get twisted  
Isn't that what love is all about  
You get me twisted

This is the night  
You're going to bring out the beast (Oh, yes you are)  
There's no way to fight  
The passion that must be released (Yeah, yeah, yeah, yeah)  
Sanity's just an illusion  
Straight as I'm trying to be

Oh, I get twisted  
You know how to turn me inside out  
Yeah, I get twisted  
Isn't that what love is all about  
You get me twisted

Yeeeeaaaaaaah, you do, you do you do-o do  
Ooh, Ooh, Ooh  
I can't turn loose, no  
I can't resist (oh no! oh no!)  
Just one more twist

I-I-I can't get enough  
Of your good old love  
I can't sleep without it

So many tangled emotions (yes)  
When you wrap your arms around me

Oh, I get twisted  
You know how to turn me inside out  
Yeah, I get twisted  
Isn't that what love is all about

I-I-I said that I'm all tangled up in what you're doin' to me  
Know it must be love I feel it goin' through me  
Can't say enough about the way, the way, the way you move me  
I'm twisted in your love  
Oh, I said I can't eat, can't sleep, can't even keep a beat  
And that's bad, baby, cause that's my business, honey, and I've got  
Got, gotta, gotta keep the beat
