

# You Make It So Hard (To Say No)

Patti LaBelle

I have had my eyes on you  
Since the day I learned to laugh at myself  
Caught you laughing too  
You went your way, I went mine  
It's strange that in another place  
That joke should hit me in my face

You make it so hard  
Hard to say no  
You make it so hard  
Hard to say no  
No no no  
No, I can't say it  
I can't say it

All that glitters is not gold  
Just like the jokes get old  
That smile that makes you think of me  
Don't make things like they used to be  
You might say that I have changed  
Oh, it's just that things are rearranged  
As I once looked after you  
Now its your turn to see me through

You make it so hard  
Hard to say no (no), no (no)  
No, no, no, no  
You make it so hard  
Hard to say no (no), no (no)  
No no no, no

You make it so hard, so hard to say no  
You make it so hard to say no, no, no, no  
You make it so hard, so hard to say no  
You make it so hard to say no, no, no, no

You know I tried to get you out of my mind  
But now it's to the point I find  
I just can't leave and not have kissed you  
You know I could never resist you

You make it so hard  
Hard to say no (no), no (no)  
No, no, no, no  
You make it so hard  
Hard to say no (no), no (no)  
No no no, no

You make it so hard, so hard to say no  
You make it so hard to say no, no, no, no  
You make it so hard, so hard to say no  
You make it so hard to say no, no, no, no  
You make it so hard, so hard to say no  
You make it so hard to say no, no, no, no  
You make it so hard, so hard to say no  
You make it so hard to say no, no, no, no

You make it so hard  
Hard to say no (no), no (no)  
No, no, no, no  
You make it so hard  
Hard to say no (no), no (no)  
No no no, no  
You make it so hard  
Hard to say no (no), no (no)  
No, no, no, no  
You make it so hard  
Hard to say no (no), no (no)  
No no no, no  
You make it so hard  
Hard to say no (no), no (no)  
No, no, no, no  
You make it so hard  
Hard to say no (no), no (no)  
No no no, no, no  
I can't say no to you, you, you, you, you  
Because you make it so hard for me to say no, no
