

## Fibbin'

Patti Page

Honey, you've been fibbin'  
Tellin' all those lies  
Know that you've been givin'  
Ev'ry gal the eye

Honey, you've been foolin'  
From the very start  
Think of what you're doin'  
To my achin' heart  
Don'tcha know I'm sighin'?  
Don'tcha know I'm crying'?  
Don'tcha know I'm tryin'?  
To believe yuh?

Ooh, ooh, ooh

Honey, I'm just livin'  
For a love that's true  
When you stop you fibbin'  
I'll come back to you

Know that you've been givin'  
Ev'ry gal the eye  
Think of what you're doin'  
To my achin' heart  
Don'tcha know I'm sighin'?  
Don'tcha know I'm crying'?  
Don'tcha know I'm tryin'?  
To believe yuh?

Honey, I'm just livin'  
For a love that's true  
When you stop you fibbin'  
I'll come back to you, ooh, ooh  
I'll come back to you, ooh, ooh  
I'll come back to you
