

Oo! What You Do To Me

Patti Page

Oo! What you do to me
Can't you see I'm helplessly, hopelessly
Breathlessly thrilled by your kiss
I never knew such a love could be
Never knew a wonderful, beautiful
Heavenly moment like this

When we shared the glory
Of dreams made for two
The same old love story
Seems thrilling new

Oo, oo, what you do to me
Won't you let me cling to you, sing to you
Bring you to heaven tonight

Oo, la di la la di la
Can't you see that I'm helplessly, hopelessly
Breathlessly thrilled by your kiss
Oo, la di la la di la
Never knew a wonderful, beautiful
Heavenly moment like this

When we shared the glory
Of dreams made for two
The same old love story
Seems thrilling new

Oo, oo, what you do to me
Won't you let me cling to you, sing to you
Bring you to heaven tonight

Oo, oo, what you do to me
Oo, oo, what you do to me
