

## Release Me

Patti Page

Please release me, let me go  
I don't love you anymore  
To live together is a sin  
Release me and let me love again

I have found a new love dear  
And I'll always want him near  
His lips are warm while yours are cold  
Release me my darling let me go

Oh, please release me, let me go  
I don't love you anymore  
To live together is a sin  
Release me and let me love again
