Pissing in a River

Patti Smith

Pissing in a river, watching it rise Tattoo fingers shy away from me Voices, voices mesmerize Voices, voices beckoning sea Come, come, come, come back, come back Come back, come back, come back

Spoke of a wheel, tip of a spoon Mouth of a cave, I'm a slave, I'm free When are you coming? Hope you come soon Fingers, fingers encircling thee Come, come, come, come, come Come, come, come, come, come for me, oh

My bowels are empty, excreting your soul What more can I give you? Baby, I don't know What more can I give you to make this thing grow? Don't turn your back now, I'm talking to you

Should I pursue a path so twisted? Should I crawl defeated and gifted? Should I go the length of a river? The royal, the throne, the cry me a river

Everything I've done, I've done for you Oh, I give my life for you Every move I made I move to you And I came like a magnet for you now

What about it? You're gonna leave me What about it? You don't need me What about it? I can't live without you What about it? I never doubted you What about it? What about it? What about it? What about it?

Should I pursue a path so twisted? Should I crawl defeated and gifted? Should I go the length of a river? The royal, the throne, the cry me a river

What about it? What about it? What about it? Oh, I'm pissing in a river
