

Daddy

Patty Griffin

We're rocking big daddy
How bout that
How bout that
Here he comes again
Me and my friends
We all laugh at him
Cuz he's so funny
Warm and fuzzy
We're rocking big daddy
How bout that
A celebration!
A celebration!
He caught a little fish
He had one wish
Daddy
We're rocking big daddy
A celebration!
A celebration!
Please throw the little fish back
