

# Long Time

Patty Griffin

Takes a long time, a long time  
In this valley of despair  
Takes a long time, a long time  
For someone to find you there  
Takes a long time for prayers  
To fly up through the air  
Someone to hear them  
When you're way down there

One day, two days, three days, four  
Just a little bit longer, just a little bit more  
Five days, six days, seven, eight, nine, ten  
Just a little bit longer, we can hold on till then

We can pray a little bit harder  
Pray a little bit harder  
Pray a little bit harder  
Pray a little bit harder

I call out to the souls out on the glory way  
For them to come and find me  
Carry me away  
I call out to the souls  
Out on the glory way  
For them to come and find me  
One of these days

One of these days  
One of these days  
Long time  
Long time  
Long time  
In this valley of despair
