

Brighter Days Come

Patty Gurdy

Up the high hill blows a hail in olden ways
So go dear, I be down here waiting for longer days
Your golden eyes will glow all the way in sunny rays
So come on a day, like the one I been hoping for
Brighter days, come!

Up the high hill blows a hail in olden ways
So go dear, I be down here waiting for longer days
Your golden eyes will glow all the way in sunny rays
So come on a day, like the one I been hoping for
Brighter days, come!

Up to the hill you are gone
Walking so close to the sun
Shouldn't it warm your face?
But you're just cold and alone
Wondering when you will come back to me
You're gone every night, every morn'

Up the high hill blows a hail in olden ways
So go dear, I be down here waiting for longer days
Your golden eyes will glow all the way in sunny rays
So come on a day, like the one I been hoping for
Brighter days, come!

Up the high hill blows a hail in olden ways
So go dear, I be down here waiting for longer days
Your golden eyes will glow all the way in sunny rays
So come on a day, like the one I been hoping for
Brighter days, come!

La dee dee day
La dee dee day, oh oh
La dee dee day
La dee dee day, oh oh
Oh oh, oh oh
Whoah oh, oh oh

Up the high hill blows a hail in olden ways
So go dear, I be down here waiting for longer days
Your golden eyes will glow all the way in sunny rays
So come on a day, like the one I been hoping for
Brighter days, come!

Up the high hill blows a hail in olden ways
So go dear, I be down here waiting for longer days
Your golden eyes will glow all the way in sunny rays
So come on a day, like the one I been hoping for
Brighter days, come!
