Patty Gurdy

Hi Patty!  
Hi Chris!  
Wanna go for a boat ride?  
Sure, Chris!  
Then get on board...

Peg Leg Silly-Billy rows for one  
But his crewmate whines about his son  
He was far too tanked for what he drank  
So they made him walk the plank

Peg Leg Silly-Billy rows for two  
But his crewmate whines about his flu  
He was far too tanked for what he drank  
So they made him walk the plank

Peg Leg Silly-Billy rows for three  
But his crewmate whines about a flea  
He was far too tanked for what he drank  
So they made him walk the plank

Peg Leg Silly-Billy rows for four  
But his crewmate whines down on the floor  
He was far too tanked for what he drank  
So they made him walk the plank

Man overboard  
He's down in the deep sea  
Down with all hope  
When will you release me

Man overboard  
He's down in the deep sea  
Down with all hope  
When will you release me

Peg Leg Silly-Billy rows for five  
But his crewmate whines about his wife  
He was far too tanked for what he drank  
So they made him walk the plank

Peg Leg Silly-Billy rows for six  
But his crewmate whines about his ticks  
He was far too tanked for what he drank  
So they made him walk the plank

Man overboard  
He's down in the deep sea  
Down with all hope  
When will you release me

Man overboard  
He's down in the deep sea  
Down with all hope  
When will you release me

Peg Leg Silly-Billy rows for seven

But his crewmate wants to be in heaven  
He was far too tanked for what he drank  
So they made him walk the plank

Peg Leg Silly-Billy rows for eight  
But his crewmate whines about his fate  
He was far too tanked for what he drank  
So they made him walk the plank

Man overboard  
He's down in the deep sea  
Down with all hope  
When will you release me

Man overboard  
He's down in the deep sea  
Down with all hope  
When will you release me

Peg Leg Silly-Billy rows for nine  
But his crewmate whines about a dime  
He was far too tanked for what he drank  
So they made him walk the plank

Peg Leg Silly-Billy rows for ten  
But he never wants to row again  
He gets up and walks the plank  
And with his tears the old man sank
