Safe And Sound

Patty Gurdy

Far above our concessness there's a safe and sound Dreaming that expansion is to come around Each and every sight will tell me what to do Taking every chance surrending the blues

And last of all I be safe and sound (safe and sound)
And after all I am gaining ground (turn around)
A real night as an entity endlessly
Spiral as an everlasting flood in me

Far above our concessness there's a safe and sound Dreaming that expansion is to come around Each and every sight will tell me what to do Taking every chance surrending the blues

And last of all I be safe and sound (safe and sound)
And after all I am gaining ground (turn around)
A real night as an entity endlessly
Spiral as an everlasting flood in me

And last of all I be safe and sound (safe and sound)
And after all I am gaining ground (turn around)
A real night as an entity endlessly
Spiral as an everlasting flood in me

And last of all I be safe and sound (safe and sound)
And after all I am gaining ground (turn around)
A real night as an entity endlessly
Spiral as an everlasting flood in me
