

# Beautiful

Patty Larkin

we were walking in the park  
it was not the zoo i know  
'cause you can't stand to see  
those things caged  
like animals  
it was june  
or maybe not  
what does it matter when you've got  
what you've got  
it was june  
or maybe not  
i think  
we were talking in the park  
all i know was i was feeling good  
and for the first time i was proud to be  
the way i am

you looked beautiful  
you looked beautiful  
you looked beautiful  
you looked beautiful  
you looked beautiful  
you looked beautiful  
you looked beautiful  
you looked beautiful  
you looked beautiful

we were walking in the park  
crawling from our hiding place  
and the light was pouring down just like the truth  
on your face

new york

before they cleaned it up

we were talking in the park

oblivious, impervious, delirious

and for the first time i believed that this

would turn out good

you looked beautiful

you looked beautiful

you looked beautiful

you looked beautiful

you looked beautiful

you looked beautiful

you looked beautiful

you looked beautiful
