

Do I Love You

Paul Anka

Beyond the shadow of a doubt
As the mighty river flows
As the meadow gaily plays
With the wind on summer days

About as deep as deep can go
From the canyons to the sky
Like a mother as she cares
For the baby that she bares

Do I love you, don't you know by now?
Do I love you, must I show you how?
Do I love you, do I have to say?
Do I love you, yes, in every way

About as sacred as an hymn
And the Bible full of pearls
From a whisper to a roar
Very much and even more

Let me say it with my eyes
And I'll share it with the night
Even in death the good Lord is kind
You'll be the last thing on my mind

Do I love you, don't you know by now?
Do I love you, must I show you how?
Do I love you, do I have to say?
Do I love you, yes, in every way

I believe in you, don't ever take your love away
Do I love you, don't you know by now?
Do I love you, must I show you how?
Do I love you, do I have to say?
Do I love you, yes, I love you
In every way

Do I have to say?
I'm saving my love for you
I think about you, I think about you
Do I love you, do I love you?
Yes, in every way
