

Everything's Been Changed

Paul Anka

Rearranged
Every room, every floor
Every inch from door to door

Every chair
Every chair and table's new
Every cup and saucer, too

Everything's been changed
Nothing's like before
Things I did with you

I do no more, they're all behind me
Everything's been changed
Since we've been apart
Everything that is, except my heart

Yesterday, you were mine
The world was ours
Happy days of fun filled hours

And I don't know what to do
About all the tears I've cried
And I can't get over you
No matter how hard I try
(They're all behind me)
'Cause

Everything's been changed
Nothing's like before
Things I did with you

Everything's been changed
Nothing's like before
Things I did with you

Everything's been changed
Nothing's like before
Things I did with you
