

# I've Heard That Song Before

Paul Anka

It seems to me I've heard that song before  
It's from an old familiar score  
I know it well, that melody

It's funny how a theme  
Recalls a favorite dream  
A dream that brought you  
So close to me

I know each word because  
I've heard that song before  
The lyrics said forevermore  
Forevermore's a memory

Please have them play it again  
And I'll remember just when  
I've heard that lovely song before

It's funny how a theme  
Recalls a favorite dream  
A dream that brought you  
So close to me

I know each word because  
I've heard that song before  
The lyrics said forevermore  
Forevermore's a memory

Please have them play it again  
And I'll remember just when  
I've heard that lovely song before
