

If You Walk Away

Paul Anka

Trust in me, don't look back
Don't throw away the love that we both share
I didn't mean to hurt you, we really haven't said goodbye
Another chance, another promise
You know that I will be there for you

I wasn't meant to overwhelm, I couldn't make it on my own
If you walk away, couldn't face another day
Is not a price I wanna pay for losing you
Most we be afraid like this
Just let it go and we'll get over it
I see forever in your eyes
No longer fill with tears
We really haven't said goodbye

You and I have been trying, its been so many years
Wasn't meant to overwhelm, but I couldn't make it on my own
And if you walk away, I couldn't face another day
Is not a price I wanna pay for losing you
If you walk away (don't walk away)
There is nothing left for me to say
I live my life in yesterday (don't walk away)
I'm still in love with you

Don't walk away, I couldn't face another day
What the price I have to pay, I'm still in love with you
If you walk away, there is nothing left for me to say
I live my life in yesterday, I'm still in love with you
Don't walk away, couldn't face another day
What the price I have to pay to stay with me
If you walk away, I couldn't face another day
Live my life in yesterday, I love you

Don't walk away from me
Don't walk away from me
Don't walk away from me
