

Love Is A Lonely Song

Paul Anka

Love is a lonely song on a rainy day
You and I not together
Said good-bye too forever
Said good-bye..... Said good-bye.....

Love is an empty room
Since you went away
You and I couldn't make it
Said good-bye couldn't take it
Take good-bye..... take good-bye.....

Far away.....far away.....far away from you
Yesterday, oh yesterday.....
Far away from you.....

Love is a lonely song since you went away
You and I not together
Said good-bye too forever
Said good-bye..... Said good-bye.....

Baby I can't go on without you
Everyday I think about you
Fade out
