

Side By Side

Paul Anka

Oh, we ain't got a barrel of money
Maybe we're ragged and funny
We'll travel along, singin' a song
Side by side

We don't know what's comin' tomorrow
Maybe it's trouble and sorrow
But we'll travel the road, sharin' our load
Side by side

Through all kinds of weather
What if the sky should fall?
Just as long as we're together
It doesn't matter at all

When they've all had their quarrels and parted
Well, we'll be the same as we started
Travelin' along, singin' a song
Side by side

But we'll travel along, singin' a song
Side by side

Through all kinds of weather
What if that sky should fall?
Just as long as we're together
It really doesn't matter at all

When they've all had their quarrels and parted
Well, we'll be the same as we started
Just travelin' along, singin' a song
Side by side

Oh, travelin' along, singin' a song
Side by side

Well, we're travelin' along, singin' a song
Side by side

All right, travelin' along, singin' a song
Side
By
Side

Yeah, yeah, yeah
You and me
A-travelin' along

Yeah, yeah, yeah
Me and you
Ooh-ooh
Me and you...
